

Disciplined Agile Scrum Master

Entry-level Certification Agile Transformation

Training objectives

- Begin your agile journey learning multiple agile approaches; understand how to use the Disciplined Agile tool kit and find your way of working (WoW).
- This comprehensive training introduces leading agile and lean approaches like Scrum, Kanban, SAFe® and more that frees you from any single agile framework and opens your options.
- While this course provides an opportunity to certify as a DA Scrum Master, the skills learned are valuable to any team member.

Target audience

- No experience in agile methods is required – this is introductory training and certification built to educate you on agile and lean fundamentals and the Disciplined Agile tool kit with skills to immediately apply what you have learned.
- You will learn the popular agile approaches in an interactive training. We also provide you with the required knowledge for the certification exam, which you take within 30 days.

Your benefits

- Official Disciplined Agile Training, which you can only complete with an authorized training partner like ALVISSION.
- Original documentation provided by PMI®
- Training by certified trainer
- In addition, the Disciplined Agile Toolkit will provide you with the knowledge you need to immediately apply what you have learned in your professional practice.

Exam information

- **Your exam fee is already included in the course fees.**
- You have **30 days** after completing the training to take the exam **online**.
- Certification is granted after you pass the exam.

Content

- Understand the Disciplined Agile mindset and its underlying principles, such as pragmatism, the power of choice and adapting to context.
- Explore multiple leading agile and lean approaches like Scrum, Kanban, SAFe® and more.
- Learn about the fundamentals of agile and lean, and how to use both approaches effectively.
- Understand how to put these strategies into action on your agile team and ensure effective implementation.
- Learn how to apply the Disciplined Agile tool kit to discover the best way of working (WoW) for you and your agile team in your unique situation.
- Be prepared to take the Disciplined Agile Scrum Master (DASM) Certification exam. Your exam fee is included in tuition.
