

Intensive PMP® Prep Training

Comprehensive training & learning package

Training objectives

- Optimal preparation on your way to certification as a Project Management Professional (PMP®). As an authorized training partner PMI-ATP® we work with the original training materials and with original PMP® exam questions.
- You will learn to assess the entire exam knowledge and can thus optimally prepare for your PMP® certification through e-learning, self-study and our learning support.

Target audience

- Experienced project experts with at least 3 years of proven project management experience with the goal of achieving PMP® certification.

Prerequisites

- With a university degree: 4,500 hours of project experience.
- With a high school diploma or intermediate education: 7,500 hours of project experience.
- 35 hours of training, as evidenced by this training program.

PMI® Authorized Training Partner

- We are an Authorized Training Partner of PMI®.
- With us as your training partner you ensure that:
 - You will be trained with high-quality course content developed by PMI®.
 - You will be prepared for the exam by a PMI® certified trainer.
 - You will go through a 4-hour exam simulation based on original exam questions and thus be optimally prepared.
 - You will get PDU for all training hours (35 hours instructor led training, 6 hours learning groups, 20 hours PMP® Exam Elearning > 1000 test questions) = 62 hours training and learning package.

Our Premium Learning Concept

- Your path to becoming a PMP® begins with our live online training, in which in-depth exam knowledge and theoretical principles are intensively developed. Our trainings are characterized by an optimal combination of knowledge transfer and practical applications. You work interactively on the exclusive PMI® learning platform.
- Participants learn together in moderated learning groups over a period of 6 weeks following the training. Participants can discuss questions there and exchange ideas comprehensively.
- In addition, a PMI® certified tutor answers the participants' questions and provides additional materials. You will get every week a set of test questions for homework and you can send in your questions to the PMP® Prep Team.
- After the training, you will complete a full four-hour exam simulation with 180 official PMI® exam questions to check your individual learning progress.
- After the exam simulation we define together what will be your individual learning strategy.
- We offer in addition Online Exam Simulator with 20 learning hours and > 1000 test questions.
